ILION SALES MONITOR

My users are also my customers, not only of my brands.

ILION SALES MONITOR APPLICATIONS PLATFORM
CUSTOMER LOYALTY-INDUCING

Customer loyalty solution for shopping malls.

Ilion Sales Monitor, loyalty solution, lets you manage your own capture campaigns and loyalty-inducing systems of users, regardless of those carried out by operators.

Advantages.

ISM, loyalty solution, allows you to:

- Multiply the commercial potential of all your combined brands
- Enhance your own brand as CC front to users.
- Control the outcome of your campaigns and take corrective decisions in real time.

Feratures.

- Turnkey solution which includes cards, readers and web site management.
- Unique system regardless of the POS of each operator but accessible from each store.
